

What's New?

In our upcoming Picky Eating Workshop (held at Midtown Co-op) we will work with you to build a tool kit of strategies to best support your picky eater. Let us know if you can join us.

Parents, caregivers and ECE partners are all invited to join in our professional development sessions during Teacher's Convention. Our staff will be participating in learning events during this time so will not be attending ECE programs or home sessions.

Time for some Famil-Lead fun at our Winter Celebration! We are very excited to be offering this FREE event again this year. We hope you can join us for all the fun sledding, snow-shoeing, making valentines and more!

Family and Staff Resources

PACT has been running in Calgary since the 1970's and is now partnered with Lead Foundation. Caregivers discuss, learn and support each other while children enjoy playing during the caregiver discussion. Parents and children then come together providing parents with the opportunity to learn through observation how their children play. Talk to us or check out the website by clicking on the picture to the right.
